Director's Report

On Monday, February 27, we hosted a news crew from channel 6, ABC On Your Side, from Columbus. They are doing a story about housing and homelessness and had learned about our warming station. Courtney Lewis did an excellent on-camera interview, along with the mayor and a patron who regularly uses the library. They returned to Chillicothe later in the week to interview Julie Bolen, Community Action Executive Director.

On Wednesday, March 1, several library staff attended the Ross County Continuum of Care meeting. The group is federally mandated (due to certain funding streams) and is working on housing issues. The library's interest, of course, is in regards to the warming station and what will happen after the end of April when it and the emergency shelter closes. There are a lot of moving pieces and complications, so there won't, unfortunately, be quick answers. I have recently received two new pieces of correspondence further complaining that "the library is no longer a place of solace and serenity" and "not a welcoming site anymore." The Ohio Library Council is continuing to monitor the budget process at the state house. By the time of Legislative Day in April, the budget will probably have moved to the senate

side. A lot of changes have been proposed that will have direct consequences to the PLF. I have had one brief conversation with Rep. Mark Johnson about the budget.

Landscaping Update (Annex): LMG resumed work on the outdoor reading/play area on March 1. They made a lot of progress during the sunny days. They're anticipating finishing the concrete work in April.

Annex renovation update: There is a contractor's walk through next week to look at the proposed changes. We should have more information soon about the budget and the calendar. We're hoping work will start in early May.

Request Amended Certificate: Changes in 2023 revenue estimates, primarily the PLF, have been received and are included in the permanent revenues and appropriations. An amended certificate of estimated resources is needed from the County Auditor showing the decrease of \$162,004 in the General Fund, reflecting total estimated revenue + carryover balances of \$7,134,630.89.

Gen. Fin. "A" Resolution 11-23

REQUEST AMENDED CERTIFICATE FROM COUNTY AUDITOR

C. Adams moved and A. Hirsch seconded the adoption of the following resolution. That the Chief Fiscal Officer be authorized to request an amended certificate from the County Auditor reflecting an estimated net decrease of \$162,004 in General Fund revenues.

The roll being called, the vote resulted as follows:

T. Lowe Y A. Hirsch Y C. Adams Y S. Congrove Y L. Graves Y R. Simmons Jones Y

2023 Permanent Appropriations: There are a few changes to line items, primarily based on new costs for projects that have been in the planning stages. The changes were shared with the Budget Committee via email.

Gen. Fin. "A Resolution 12-23

Approve Permanent Appropriations 2023

S. Congrove moved and C. Adams seconded the adoption of the following resolution. **BE IT RESOLVED** by the Board of Library Trustees of the Chillicothe and Ross County Public Library, Ross County, Ohio that to provide for the current expenses and other expenditures of said Board of Library Trustees, during the fiscal year, ending December 31st, 2023, the following sums be and the same are hereby set aside and appropriated for the several purposes for which expenditures are to be made for and during said fiscal year, as follows, viz:

Update Public Services Policy 1.5—Meeting Rooms: When we changed website software last year, we had to tweak the process for reserving meeting rooms online. During that process, we identified a few areas that needed clarification. The only significant change is that the policy will now allow private individual meetings for virtual doctor's appointments and other interviews. This is already happening in our telehealth room, but it was specified in the policy.

Pols. "A" Resolution 13-23

Update Public Services Policy 1.5

A Hirsch moved and C. Adams seconded the motion to end executive session. That the changes to the Public Services policy be accepted as presented effective March 8, 2023.

Public Service Policy 1.5—DRAFT

(proposed additions highlighted, presented 3/8/2023)

Library meeting rooms are available to groups or organizations which have a cultural, educational, civic, social, political, religious, professional, or other community-oriented focus. Community meetings shall be open to the public. No admission may be charged and no items or services may be sold (excluding library program materials).

Meeting rooms are available for individual use for persons volunteering as tutors as part of a non-profit program, and for individuals seeking a quiet space for study, research, job interviews, and social service meetings. A telehealth room with privacy curtains is also available for individual use at the Main Library and Northside Branch.

Meeting rooms are not available to non-library groups or individuals for the promotion or sales of services or products, fundraising, conducting classes for profit, or private social functions (birthday parties, baby showers, family reunions, graduation party, memorial services, etc.).

The following guidelines apply to all non-library meetings held on library premises: Reservations must be made at least 24 hours in advance. In case of cancellation, the library requests notification by phone as soon as possible.

- Meeting rooms are only available for use during normal library hours.
- The person making the application is responsible for ensuring that no alcoholic beverages are allowed on the premises and no type of tobacco use is permitted on any library property.
- For safety reasons the stated capacity for each room must not be exceeded.
- Groups are responsible for arranging chairs, tables, and other equipment provided in the meeting rooms to meet their own needs. Following their use of the room, groups must return the room to its original state. Clean-up of the room by the group is required.
- The following disclaimer will be posted in the meeting room: "The library does not advocate or endorse the policies or purposes of any group or individual using the library meeting room. The library is not liable for injury to person or property arising out of use of the meeting room by an outside group or individual."
- Meetings held in any meeting room must not disturb normal library operations. The Library reserves the right to stop meetings that are disruptive to normal library operations.
- Library meeting rooms may not be used for any activities prohibited by law.

CRCPL reserves the right to reject any reservation if it is determined that the organization has abused its past privileges, including but not limited to: violation of any of the preceding policy and procedures, vandalism, theft, failure to exit the building on time, and failure to appear for a scheduled meeting. The acceptance of library policy and procedures (electronically or in person) assigns responsibility for loss or damages to the room and loss or damage to any library property or equipment used during the meeting to the person submitting the application. The library reserves the right to prohibit any person, group or organization from using the library meeting space.

NOTE: The library's use of meeting room space takes precedence over outside reservations. Occasionally, it may be necessary to cancel or move a meeting reservation if a specific space is needed by the library. Every effort will be made to give adequate notification to the organizer and/or organization affected and to find reasonable alternate accommodations.

Close Huntington location June 6 through June 15 for floor repair: During the December cold snap, the school has a water main break that resulted in a lot of damage to the building. The floor in the entry way outside the library is scheduled to be replaced in the beginning of June. Since there is only one door into the library, we will need to close during the repairs.

Prop. "E" Resolution 14-23

Huntington Closed For Cleaning

C. Adams moved and A. Hirsch seconded the adoption of the following resolution. That at the request of Huntington School, the Huntington Branch be closed June 6th through June 15th for floor repair in the school.

The roll being called, the vote resulted as follows:

Move May regular meeting Kingston for an open house: The Kingston building has been open for a while, but now that the landscaping is completed, I'd like to formally have an open house. The last board meeting in Kingston was before we started construction

(pre-COVID), so this would be a bookend meeting for the community. By May, I'm hopeful that the weather will be consistently warmer and the plants will be green.

Board "D" Resolution 15-23

May Board Meeting

S. Congrove moved and L. Graves seconded the motion to end executive session. That the May Board meeting be moved to Kingston for a grand opening/open house at 4:30 on Wednesday, May 10, 2023.
